NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Adopted: December 26, 2002 Released: December 27, 2002

By the Chief, Investigations and Hearings Division, Enforcement Bureau:

I. INTRODUCTION

1. In this Notice of Apparent Liability for Forfeiture ("NAL"), we find that UHF-DE, LLC ("UHF") failed to timely file its "long-form" application (FCC Form 601) and accompanying ownership report (FCC Form 602) following completion of the Commission's Lower and Upper Paging Bands Auction ("Auction No. 40"), in apparent willful and repeated violation of Sections 1.2107(c) and 1.2107(f) of the Commission's rules. We conclude that UHF is apparently liable for a forfeiture in the amount of \$3,000.

II. BACKGROUND

- 2. On December 5, 2001, Commission staff completed the auction of 15,514 licenses in Auction No. 40. UHF was among the participants in that auction. On December 11, 2001, the Wireless Telecommunications Bureau issued a Public Notice that provided detailed information concerning specific post-auction obligations of winning bidders.² The Public Notice established December 27, 2001, as the deadline for winning applicants to submit their ownership and long-form applications. The Public Notice also announced that UHF was a winning bidder in Auction No. 40.³
- 3. After the Commission's receipt and initial review of the Auction No. 40 long-form applications, Commission staff noticed that UHF had failed to file its required long-form application. Commission staff subsequently contacted UHF's representative. Thereafter, on January 10, 2002, UHF submitted a Waiver Request and electronically filed its long-form application. At that time, UHF also manually filed its ownership report. In its Waiver Request, UHF explained that it missed the long-form

filing deadline due to inadvertence and "administrative oversight." UHF states that because it had satisfied its down payment obligations and had already filed the short-form application, it did not realize that it was required to file the long-form application. ⁵

III. DISCUSSION

4. Section 1.2107(c) of the Commission's rules provides that:

A high bidder that meets its down payment obligations in a timely manner must, within ten (10) business days after being notified that it is a high bidder, submit an additional application (the "long-form application") pursuant to the rules governing the service in which the applicant is the high bidder.⁶

This section further provides that long-form applications must be filed electronically.⁷ Additionally, Section 1.2107(f) requires applicants to file an ownership report with its long-form application.⁸ For Auction No. 40, the ownership form had to be filed manually.⁹

- 5. The purpose of the long-form application is to provide vital information concerning winning bidders and their qualifications to be Commission licensees. Public notice of acceptance of a winning bidder's long-form application triggers the establishment of the pleading cycle for petitions to deny.¹⁰ The timely filing of a long-form application is thus essential to the efficiency of the competitive bidding licensing process.
- 6. On April 9, 2001, Commission staff first released a Public Notice announcing the upcoming Lower and Upper Paging Bands Auction. Therein, auction participants were informed of their post-auction filing obligations in the event they were winning bidders. Thus, UHF was on notice

⁹ Prior to September 10, 2002, the ownership form had to be filed manually. As of December 10, 2002, the ownership form must be filed electronically. *See* "Wireless Telecommunications Bureau Announces Availability of Electronic Filing of FCC Form 602," *Public Notice*, 17 FCC Rcd 16779 (2002).

even before the auction commenced that, if it were a winning bidder, it would have to electronically submit a properly completed long-form application within ten business days after release of the auction closing notice. In addition, on December 11, 2001, Commission staff issued a post-auction Public Notice establishing December 27, 2001, as the filing deadline and describing in detail the long-form application and ownership report filing requirements. Nevertheless, UHF failed to file its long-form application and ownership report on time. In light of these facts, we conclude that UHF failed to file its ownership report and long-form application by the established and well publicized deadline, in willful and repeated violation of Sections 1.2107(c) and 1.2107 (f) of the Commission's rules.¹²

7. Section 503(b)(1)(B) of the Communications Act of 1934, as amended, provides that any person who willfully or repeatedly fails to comply with the Act or the Commission's rules shall be liable for a forfeiture penalty.¹³ The guidelines contained in the Commission's *Forfeiture Policy Statement* specify a base forfeiture amount of \$3,000 for failure to file required information.¹⁴ The guidelines also permit the Commission to issue a higher or lower forfeiture amount based on such factors as the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, history of any prior offenses, ability to pay, and such other matters as justice may require. UHF does not dispute that it failed to timely file the necessary forms. We believe a forfeiture is appropriate in this case, and see no basis for departing from the base forfeiture amount. Thus, we propose a forfeiture in the amount of \$3,000. This amount is consistent with other cases involving similar transgressions.¹⁵

IV. ORDERING CLAUSES

- 8. ACCORDINGLY, pursuant to Section 503(b) of the Communications Act of 1934, as amended, and Section 1.80 of the Commission's rules, UHF DE, LLC, is hereby NOTIFIED of its APPARENT LIABILITY FOR A FORFEITURE in the amount of \$3,000 for willfully and repeatedly violating Sections 1.2107(c) and 1.2107(f) of the Commission's rules.
- 9. IT IS FURTHER ORDERED, pursuant to Section 1.80 of the Commission's rules, 47 C.F.R. § 1.80, that within thirty (30) days of the release of this Notice, UHF SHALL PAY the full amount of the proposed forfeiture, or SHALL FILE a written response seeking reduction or cancellation of the proposed forfeiture.

¹² The Commission has held that an act or omission is "willful" if it is a conscious and deliberate act or omission, whether or not there is any intent to violate the rule. *Southern California Broadcasting Company*, 6 FCC Rcd 4387 (1991). Furthermore, a continuing violation is "repeated" if it lasts more than one day. *Id.* at 4388.

¹⁵ See e.g., PCS Partners, L.P., 16 FCC Rcd 5547 (EB 2001)(forfeiture paid)(proposing a \$3,000 forfeiture against winning bidder that filed its long-form application four days late and its ownership report two days late because of administrative oversight); PinPoint Communications, Inc., 14 FCC Rcd 6427 (PSPWD, WTB 1999) (proposing a \$3,000 forfeiture against winning bidder that filed its long-form application six days late because of administrative oversight).

- 10. Payment of the forfeiture may be made by mailing a check or similar instrument, payable to the order of the Federal Communications Commission, to the Forfeiture Collection Section, Finance Branch, Federal Communications Commission, P.O. Box 73482, Chicago, Illinois 60673-7482. The payment MUST INCLUDE the FCC Registration Number (FRN) referenced above and the NAL/Acct. No. referenced above.
- 11. The response, if any, must be mailed to Melanie A. Godschall, Investigations and Hearings Division, Enforcement Bureau, Federal Communications Commission, 445 12th Street, S.W, Room 3-B443, Washington DC 20554 and MUST INCLUDE the NAL/Acct. No. referenced above.
- 12. The Commission will not consider reducing or canceling a forfeiture in response to a claim of inability to pay unless the respondent submits: (1) federal tax returns for the most recent three-year period; (2) financial statements prepared according to generally accepted accounting practices ("GAAP"); or (3) some other reliable and objective documentation that accurately reflects the respondent's current financial status. Any claim of inability to pay must specifically identify the basis for the claim by reference to the financial documentation submitted.
- 13. Requests for payment of the full amount of this Notice of Apparent Liability under an installment plan should be sent to: Chief, Revenue and Receivables Operations Group, 445 12th Street, S.W., Washington, D.C. 20554. 16
- 14. Under the Small Business Paperwork Relief Act of 2002, Pub L. No. 107-198, 116 Stat. 729 (June 28, 2002), the FCC is engaged in a two-year tracking process regarding the size of entities involved in forfeitures. If you qualify as a small entity and if you wish to be treated as a small entity for tracking purposes, please so certify to us within thirty (30) days of this NAL, either in your response to the NAL or in a separate filing to be sent to the Federal Communications Commission, Enforcement Bureau, Investigations and Hearings Division. Your certification should indicate whether you, including your parent entity and its subsidiaries, meet one of the definitions set forth in the list provided by the FCC's Office of Communications Business Opportunities (OCBO) set forth in Attachment A of this Notice of Apparent Liability. This information will be used for tracking purposes only. Your response or failure to respond to this question will have no effect on your rights and responsibilities pursuant to Section 503(b) of the Communications Act. If you have questions regarding any of the information contained in Attachment A, please contact OCBO at (202) 418-0990.
- 15. IT IS FURTHER ORDERED that copies of this Notice shall be sent, by Certified Mail -- Return Receipt Requested, to UHF-DE, LLC, 2715 McGregor Blvd., Fort Myers, FL 33901; and to counsel for UHF, Pamela Gaary, Esq., Lukas Nace Gutierrez & Sachs, 1111 19th Street, NW, Ste. 1200, Washington, DC 20036.
